

Cohesity and its Affiliates may use the following third parties as Sub-processors of Personal Data in order to provide our Services (“**Authorized Third-Party Sub-processors**”).

Any cross-border transfer of Personal Data arising from Cohesity’s engagement of an Authorized Third-Party Sub-processor are governed by, and carried out in accordance with, the applicable Standard Contractual Clauses or other legally recognized transfer mechanisms, as required under relevant Data Protection Laws and Regulations. For further information, please review Cohesity’s Data Processing Addendum, available at [cohesity.com/agreements](https://cohesity.com/agreements).

By subscribing to receive updates about this page, you will be notified by email about relevant updates to Sub-processors that are involved in processing your customer data.

Capitalized terms not defined on this page have the meanings ascribed to them by the terms set forth in the applicable Agreement between Cohesity and the Customer.

| Authorized Third-Party Sub-processors   |                |   |   |   |
